

Little Donald in the Pigpen**

Comment: Played by MacDonald regularly on CFCY
in the early days of Island radio. See add'l comment below.

As Played by: Hector MacDonald
Track: 1, Time: 5:12

** Additional comment: A tune by this name, supposedly learned from MacDonald, was recorded and popularized by the Rankin family of Cape Breton within the last generation. This recorded version, however, seems to be quite different from what MacDonald actually played.
